

From a simple border design to a full family of complementary lamps and fixtures, we offer the rare opportunity to weave patterns from textiles, tile and lighting elements together as one. Working in ceramic, parchment, fabric or other custom materials, your entire design palette, or brand image, can now become a singular continuous artistic expression. With over 20 years of lighting design and manufacturing experience, we can assist you in creating designs that will result in a truly unified signature interior.

All designs are trademarked, copyrighted and property of Janna Ugone Designs.
They are exclusively represented to the contract hospitality market by BDL.
